Orders Issued for the Immediate Resumption of Mining in Seven States—Same Contracts Will Prevail as Those in Force March 1 Last—Other Operators Asked to Meet

(By The Associated Press)  
CLEVELAND, O., Aug. 15.—Immediate resumption of production in bituminous mines scattered over seven states was ordered tonight and in some places the cutting of work will be started tomorrow. Orders for miners to return to work were sent by district union officials after operators had signed an agreement renewing the wage contracts that were in force when the men quit the mines last March 31.

The formal break in the strike came when the scale amendment was adopted by the unanimous vote of miners operators at their joint conference.

The general agreement was then signed by T. K. Maher, president of the United Mine Workers, and J. H. Green, president of the National Bituminous Coal Operators' Association. William Green, a miner, as its secretary. Supplemental agreements between operators and state union officials were then executed with the union chiefs wiring locations that work might be renewed.

# STPONE JOINT WAGE CONFERENCE

PHILADELPHIA, Aug. 15.—The postponement of the joint wage conference of anthracite coal operators and representatives of the United Mine Workers of America was announced today by Samuel D. Warren, head of the operators' negotiating committee.

The meeting had been set for tomorrow at the request of L. Lewis, president of the United Mine Workers.

# ALL AMENDMENTS TO TARIFF BILL ARE CONSIDERED

Is Now in About Form it Will be Passed Next Saturday

(By The Associated Press)  
WASHINGTON, Aug. 15.—The senate, driving forward at a speed seldom attained, completed consideration tonight of all committee amendments to the administration tariff bill. This was the measure put into about the form in which it will be passed late next Saturday. Hundreds of committee recommendations some of which upset decisions reached previously by the senate after long discussion was approved during the ten hours session.

About one hundred of the amendments considered were reported by the finance committee majority when the senate convened.

Several reductions in rates in the metal schedule were proposed by the committee and approved by the senate. These included pig iron from \$1.25 a ton to 75 cents a ton; steel rails, etc., from seven tenths of a cent to four tenths of a cent and beams, girders, angles, etc., from 25 percent ad valorem to 20 percent.

On recommendation of the committee the duty on tanning extracts was cut from 25 percent to 15 percent. The duty on perfumes, tooth paste and other toilet preparations containing alcohol was put up from 40 cents a pound and sixty percent ad valorem to 40 cents a pound and 70 percent ad valorem. The house rate of sixty percent on such articles not containing alcohol was advanced to 75 percent.

On harness valued at more than \$75 a set and saddles valued at more than \$40 each with parts except metal for both a duty of 35 percent was voted. All harness and saddles had been transferred to the free list after the senate voted down the duty on hides and leather last week.

Tomorrow the senate will take up individual amendments which have been postponed from time to time.

Several additional amendments were proposed today and others will be offered tomorrow. Senator Shortridge, Republican, California, proposed that grape juice capable of producing more than one percent of alcohol shall pay a duty of 70 cents a gallon and in addition there to \$5 a proof-gallon on the alcohol contained in such juice.

Senator Oddie, Republican, Nevada, offered an amendment to the newspaper section of the free list proposing to eliminate the house provision for a duty of 10 percent ad valorem against newspaper imported from countries which export pulp or wood for the making of pulp. Senator Oddie said this duty was aimed at Canada which exports pulp and wood and that this would "unnecessarily antagonize Canada without in the slightest affecting the situation."

# ALLEGED SLAYERS MAKE CONFESSION

(By The Associated Press)  
CHICAGO, Aug. 15.—Fred Hayden and Joseph Carey confessed today, according to police, that they killed George J. Keaty, a street car motorman whose body was found lying in the street early Monday morning.

According to the police the men said they attacked and beat Keaty after Mrs. Katherine Bock had complained that Keaty had tried to force his attentions upon her 13 year old daughter. The two men are being held awaiting the result of a coroner's inquest.

# RAIL HEADS AGREE TO CONFERENCE

New York, Aug. 15.—The Association of Railway Executives tonight granted the request of the five railroad brotherhoods for a conference looking toward the settlement of the shop crafts strike, and agreed to meet the union representatives here next Thursday.

R. S. Binkhard, assistant to T. DeWitt Cuyler chairman of the Association of Railway Executives, who made the announcement, said that the same committee of rail chiefs same conferred with President Harding in Washington on Saturday would represent the association at the conference.

# REED'S PLURALITY WAS 5,942 VOTES

Jefferson City, Mo., Aug. 15.—Senator James A. Reed won the Democratic nomination for United States senator over Breckinridge Long, third assistant secretary of state in the Wilson administration by a plurality of 5,942 votes in the recent Missouri primary, according to the official count which was announced tonight by the secretary of state.

The vote was, Reed, 195,955; Long, 190,013.

# LEGISLATION WILL BE ASKED TO CURB COAL PROFITTEERS

Secretary Hoover Says They Are Breaking Away from Agreement

(By The Associated Press)  
WASHINGTON, Aug. 15.—Congress will be called upon for legal weapons to arm the government for war against coal profiteers it was announced today by high administration officials. Legislation will be required it was declared to assure price control and equitable distribution of fuel even in the event of a settlement of the whole national coal controversy.

Coal operators, Secretary Hoover stated were breaking away from the voluntary fair price agreements except in some districts in Virginia and West Virginia and congress he declared must act to check advancing charges and at the same time authorize the continuance of the federal distribution machinery now functioning by volunteer services which could not continue indefinitely.

Continuance of the favorable distribution machinery would be necessary, Mr. Hoover asserted, especially to meet the anthracite situation and provide for the requirements of the northwest section before winter sets in. As soon as anthracite was available he declared distribution of hard coal would be supervised by the federal organization along the lines now in practice for the movement of bituminous.

Competitive bidding by railroads and public utilities for fuel according to reports to the central committee has disturbed the agreed price levels and the carriers were asked today by Federal Fuel Distributor Spencer to make no offers for coal at prices above the Hoover levels.

# MOTIVE POWER IN GOOD SHAPE EXECUTIVES SAY

McChord Statement Based on July Reports When Conditions Were Bad

(By The Associated Press)  
CHICAGO, Aug. 15.—Hale Holden, president of the Chicago, Burlington & Quincy railroad asserted tonight that motive power on most of the important roads of the country had shown distinct and substantial improvement for the past several weeks. He made the statement when informed that Chairman McChord of the interstate commerce commission had informed President Harding that motive power on many roads was deteriorating and asserted the commission based its assertion on July reports when conditions were at their worst.

So far as the Burlington is concerned we are sending out no equipment in bad order, he said. H. E. Byram, president of the Chicago, Milwaukee & St. Paul railway said that his road was making all current repairs and that conditions had been improving steadily during the past few weeks.

W. H. Finley, president of the Chicago & Northwestern said that he believed most of the roads of the country were showing improvement and that his own road was having no trouble with its repair work since shop forces had been recruited.

# UNIVERSITY PRESIDENT SUFFERS REPRIMAND

(By The Associated Press)  
OKLAHOMA CITY, Aug. 15.—Edwin DeBarr, vice president of the University of Oklahoma and connected with the institution since its infancy was reprimanded for his alleged political activities in the recent Oklahoma primary campaign in a resolution adopted at a meeting of board of regents of school here today.

DeBarr was charged with active participation in the Ku Klux Klan and in politics in violation of the regulations of the University in a statement recently by N. L. Muldrow of Norman, president of the board of regents.

# PREDICT MINING WILL START IN INDIANA

Indianapolis, Ind., Aug. 15.—Prospects for a general resumption of mining in Indiana by the end of the present week are favorable, operators here predicted today, following the signing of the Cleveland agreement. Although a small number of Indiana operators were at Cleveland, it was understood here that a substantial tonnage is ready to sign the agreement.

# HARVEST UNDER WAY IN NORTH DAKOTA

# MANAGER OF BANK AT JUAREZ MEXICO KILLED BY BANDITS

Two Robbers Captured by Police But Two Escape

(By The Associated Press)  
JUAREZ, Chihuahua, Mexico, Aug. 15.—Three masked robbers entered the bank of David Russel and company in the heart of Juarez business district shortly after noon today and killed J. Guadalupe Camacho, 60, the manager. The manager's son, Luis Roberto Camacho, 35, was badly beaten on the head with pistols as he fought the three robbers, who fired two shots thru his father's heart.

Police from the station only a block away, caught two suspects and prevented the robbery of the bank. One man was caught in the bank and the other was captured after a chase.

Four men were in the plot according to police. The men hired a car and stripped it of numbers, beating up the chauffeur who protested it is said. One of the four stood guard over the beaten chauffeur while the other three went to rob the bank according to the chief of police.

The three left the automobile standing outside the bank. Police seized it and used it in pursuing the two men they failed to catch.

# CALIFORNIA STRIKE SEEMS NEAR AN END

(By The Associated Press)  
LOS ANGELES, Cal., Aug. 15.—The railroad strike situation in Southern California showed signs of clearing late today, according to statements by officials of the Union Pacific and Santa Fe lines affected by the trainmen's walk-out of last week.

The Santa Fe sent its trains out today on scheduled time and General Passenger Agent James Duffy said every effort would be made to carry them thru to Chicago on time at every point. If necessary officials would do the operating, he said.

The Union Pacific announced that freight trains stalled on the Los Angeles and Salt Lake Branch were moving to destinations this afternoon. All its stalled passenger trains were cleared yesterday. General Superintendent A. N. Williams was on the way late today to Las Vegas, Nevada, the principal point of disturbance in the hope of making a settlement with the strikers there which would permit resumption of traffic. Today W. H. Comstock, general manager of the Los Angeles and Salt Lake Line said that when the Las Vegas situation was cleared he felt confident that normal traffic would be restored. Passengers who had been marooned on the Union Pacific lines by the tie up began arriving in Los Angeles today over the Southern Pacific.

The Santa Fe also brought in two more train loads of passengers who have been marooned on the desert, some of them three days late.

# ROAD FOREMAN ACTS AS ENGINEER

(By The Associated Press)  
GALLUP, N. M., Aug. 15.—Santa Fe train No. 2, the first train from the west since Saturday arrived here this afternoon with a road foreman of engines acting as engineer and a brotherhood man acting as fireman. The train was taken east by one of the regular engine crews. Two of the trains which were marooned here were consolidated and sent west in charge of the engine and train crews which brought No. 2 from the west.

Five westbound trains were marooned here all day. Restaurants and other eating places have refused to feed the passengers because the food supply is beginning to run low and an effort is being made to conserve the supply so as to take care of the regular customers. The town is completely out of butter and eggs and there is only about on day's supply of ham and bacon in the wholesale houses.

Members of the "big four" have not struck here.

# WOMAN'S EFFORTS ARE REWARDED

(By The Associated Press)  
LEAVENWORTH, Kans., Aug. 15.—Efforts of Mrs. Margaret Anderson, 65, who traveled afoot last January from Sioux Falls, S. D., to Washington, D. C., to ask President Harding to pardon her son were rewarded today when her son, Joseph Anderson, 19 left the federal penitentiary here, Warden W. I. Biddle having received a telegram from the department of justice that a pardon for Anderson had been signed by the President. Anderson was serving a two year sentence which began October 4, 1921.

# WESTERN RAILROADS HAVE BEGUN TO RUN TRAINS TO THE EAST

Embargo on Fruit and Live-Stock Raised by Southern Pacific

(By The Associated Press)  
SAN FRANCISCO, Cal., Aug. 15.—The Southern Pacific company lifted its embargo today on shipment of perishable freight and livestock, which was declared on account of a strike of train crews at Roseville, Cal. An agreement was reached at a conference by which the crews of the big four rail brotherhoods returned to work.

Railroads in the southwest reported progress in the movement of trains and in conferences with members of the big four brotherhoods of trainmen inducing them to resume work. Trains were stopped on some of the roads last Thursday when Brotherhood men alleged they were endangered by guards placed to protect property because of the shopmen's strike and detective equipment.

Shippers and growers of fruit in Central California immediately renewed picking of fruit and the local cars at Roseville began to move.

The Santa Fe sent two trains from Los Angeles, one to Barstow, California and the other towards Chicago. Both trains were crowded with passengers.

The Western Pacific announced it was making progress in its conferences with trainmen and expected to start an overland train eastward tomorrow. No trains have moved over the Western Pacific for three days.

The Union Pacific's line from Salt Lake City to Los Angeles, continued to be tied up as to movement of trains. Locomotives were started for Las Vegas, Nev., to move freight and if this is successful passenger trains will be moved. No action had been taken in western states late today on the telegram that Warren S. Stone, president of the Brotherhood of Locomotive Engineers sent notice notifying members of the union who walked out without authorization to return to work. None of the officials of the local unions would admit having received such instructions.

# PRESIDENT TELLS M'CHORD TO SEE LAW IS ENFORCED

Better to Diminish Train Service Than Imperil Public

(By The Associated Press)  
WASHINGTON, Aug. 15.—Motive power "certain of the important carriers of the country," because of the present strike is progressively deteriorating, Chairman McChord of the interstate commerce commission informed President Harding tonight and in a letter of reply was told by the president "to insist upon the full enforcement of the law."

Inspection forces of the government should exert themselves to the utmost, the president said, because it is better to have service diminished rather than to attempt any movement of trains on which safety is not assured.

The commissioner informed the president that in enforcing the safety provisions of federal law "we are taking steps and will be compelled to continue to proceed in a manner which must bring about serious withdrawals of motive power from service."

The president responded that "the growing menace to maintain transportation had been called to his attention and nothing could be done except "to insist upon the full enforcement of the law."

I. W. W. ACTIVE IN STRIKE—DAUGHERTY

WASHINGTON, Aug. 15.—Attorney General Daugherty declared today that reports had come to the department of justice indicating the I. W. W.'s are quite active in connection with the railway strikes.

The attorney general added that there was no detailed information in the hands of the department but he was satisfied from the general information received that a relation existed between the strikes and activities of the I. W. W.

"There are indications," said Mr. Daugherty in a statement to newspapermen at the department of justice, "that the I. W. W.'s are very willing to take over some of the responsibility of railway transportation and even the government itself in the west."

# CANADIAN SHOPMEN STRIKE IS AVERTED

MONTREAL, Aug. 15.—The threatened strike of 37,000 shopmen on the Canadian railways was temporarily averted tonight when the presidents of the Canadian National, Grand Trunk and Canadian Pacific telegraphed Premier W. L. Mackenzie King that the wage cut of \$200,000, ordered today would be rescinded and the men would be paid at their old rate prior to July 15.

# HARDING WILL GIVE INFORMATION TODAY ON RAILROAD STRIKE

Will Also Give Expression of His Determination to Give Federal Protection for Railway Operations—Leaders of the Striking Unions Will Await New Peace Effort

(By The Associated Press)  
WASHINGTON, Aug. 15.—Congress and the country will be informed within 36 hours by President Harding of every fact in the railroad strike situation as he views it, and also—administration advisers said today—will be given an expression of his determination to give the full aid and protection of the federal government to the maintenance of railway operations.

Meanwhile an invitation to the Association of Railway Executives to reopen negotiations for a compromise settlement of the shopmen's strike, the five train service brotherhoods of engineers, conductors, trainmen, firemen and switchmen, acting for the striking craft.

President Harding also moved tonight to support the interstate commerce commission in enforcing safety laws which will shortly require withdrawals of locomotives from service on important carriers.

Leaders of the striking railroad unions now in Washington indicated their disposition to await the new peace efforts of their associates but made public their letter rejecting President Harding's final proposals for a compromise settlement of the strike. Thru B. M. Jewell, their chairman, they also issued a statement contending that the railroad responses to the proposals had been a declination. The letter in addition to declaring the president's proposals "unworkable," asserted that the strikers would not return to work unless assured of unimpaired seniority status.

# COAL OPERATORS OF ILLINOIS ARE ASKED TO CONFER

President Farrington Invites Them to Meet in Chicago Friday

(By The Associated Press)  
CHICAGO, Aug. 15.—Illinois Coal Operators today received messages from Frank Farrington, president of the Illinois Miners' Union stating that Mr. Farrington was authorized to negotiate district agreements and asking for a joint conference between Illinois operators and miners here next Friday. While presidents of the three operators associations in the state must pass on acceptance of the proposals, Mr. Farrington said, "as the operators have been trying to get such a conference for four months, there is little question but that they will accept."

"We are now authorized to negotiate for district agreements," Mr. Farrington's telegram read. "I suggest that we have a joint district wage scale conference Friday, Aug. 18. Wire me at Springfield if my suggestion is acceptable."

Dr. Honnold said the operators probably give an answer tomorrow. About two weeks ago the operators offered to maintain wages and working conditions in effect when the strike was called if Illinois miners would agree to submit all differences to arbitration and abide by the result for a two year period from April 1, 1923. Previous to that time Illinois operators made repeated efforts to secure a conference with Illinois miners representatives. While no mention was made in Mr. Farrington's telegram of arbitration it was expected that this would be one of the questions to be considered at Friday's conference.

# FARRINGTON SENDS HIS COMPLIMENTS

(By The Associated Press)  
WEST FRANKFORT, Ill., Aug. 15.—"You and your friends can go to hell."

This was the text of a telegram made public tonight by A. A. Pearce, mine of John C. Johnson, near here, which he said came from Frank Farrington, president of the Illinois miners in reply to a resolution adopted by several thousand miners at a mass meeting at Johnston City yesterday demanding that Farrington resign because of his action favoring a separate wage agreement.

# WOMAN TRAMPLED TO DEATH BY HORSES

Rockford, Ill., Aug. 15.—Miss Carrie Anderson, 48, was trampled to death by horses today on a farm near Davis, Stephenson county. She was holding the horses by the bridle while her brother, Charles Anderson, was hitching them to a wagon. Trampling her, they dragged the wagon across her chest and legs crushing her ribs and causing fatal internal injuries.

## A THOUGHT

He stayeth his rough wind in the day of the east wind.—Isaiah 27:8.

WE never have more than we can bear. The present hour we are always able to endure.—H. E. Manning.

Most every day one reads that too many mines and too many miners constitute one of the troubles of the mining industry. Nevertheless, it is not an infrequent happening for a company to be organized to develop a mining property. A group of Blooming-

ton men are said to have recently become interested in a mining property in Tennessee which it is proposed to develop and with an estimated daily output of at least 5,000 tons.

Really isn't it a fine example of nerve that the president of the miners' union suggests a fact-finding commission, one to be appointed by the miners, one by the operators and the third chosen by these two. The public would like to know some facts about the mining industry that are not furnished by either the miners or the operators. The kind of commission suggested will not at all meet the situation.

Lord Northcliffe, now deceased was a tremendous figure in the life of England. He had important place in the war time and it was the agitation thru his newspapers that made England hurry up the manufacture of munitions. There had been complaints filed on complaints but without avail, until Lord Northcliffe went to the front, made his own explorations and then attacked the war course of the government. The appointment of Lloyd George to the munitions work resulted.

An almost uncontrolled ambition is said to have been responsible for Lord Northcliffe's marked downfall. He became the owner of scores of newspapers and magazines and was constantly adding to these possessions. The strain became too great and in recent months it was known that his mind had given way. Now a great contest in the division of his vast estate is likely to develop for he was without children.

## MR. BRYAN AN HONORED GUEST.

Jacksonville is to have a sort of holiday observance today in recognition of the coming of William J. Bryan. People here are joining in this plan regardless of political affiliations because they make claim to part ownership in Mr. Bryan. Certainly there is some justification for that claim, when it is remembered that so many of the earlier years of the Great Commoner's life were spent on this city. Mr. Bryan's career is unique. It is without parallel. The average political leader who meets reverses of the kind that have come to Mr. Bryan disappear almost entirely from public view. At any rate they lose the influence of leadership. Not so with Mr. Bryan. He has come back serenely in defeat after defeat and is today a power to be reckoned with in the Democratic party.

However, Mr. Bryan's greatest influence has been not as a political leader but as a preacher. His influence has been on the side of every great moral issue for the past twenty years or more, and his championship has often served to give popularity to righteous views and Christian action.

Mr. Bryan has lived to see some of his "visions" come true and today he deserves the honor that he has as a patriotic, courageous, high-minded Christian leader, a great American.

### Curiosity

By Berton Braley

THE world's an interesting place  
 No matter where you go,  
 And though I've roamed about its face  
 And wandered to and fro,  
 I'm always game to sail again  
 To seek some other shore;  
 I've only seen a bit of it  
 And, till I'm only quit of it,  
 I want to see some more!

TWO billion people, more or less,  
 Are living on this sphere,  
 Seeking their share of happiness  
 In ways both sane and queer,  
 And all of them are different.  
 With different thoughts and lore,  
 Oh, there is such a slew of them,  
 I only know a few of them;  
 I want to know some more!

SO I shall wander, while I can,  
 About the globe's expanse,  
 And try to learn the heart of man,  
 His dreams and his romance;  
 But mostly I shall rove about,  
 As I have done before,  
 Because, when once you start to go,  
 The fever's in your heart to go,  
 And go—and go some more!

## PROGRAM GIVEN AT OAK LAWN BY RED CROSS

Miss Bullard Charms Patients With Piano—Other Entertainments Planned.

The American Legion and the Red Cross have undertaken the praiseworthy and patriotic task of furnishing entertainments for the patients at Oak Lawn, the Morgan county tuberculosis sanatorium. As many of the patients at the hospital are ex-soldiers the legion is involved in the entertaining. Some of the tubercular soldiers caught the disease as a result of shell shock received in the front lines while serving their country. Do they not deserve the best entertainment that we can offer them? They need this entertainment especially as all exercise is denied them and they are not allowed to smoke.

Last night a piano program was offered by Miss Virginia Bullard of Duncan Place, who is an accomplished artist. Following are the selections played by her: "Judea dance," Dett; "Honey," Dett; "Lethesfrend," Kreisler; "Humoresque," Rachmaninoff; and "Country Garden," Grainger. The Red Cross and the legion hope to have these entertainments every Tuesday night for the next month at least.

Last winter the Morgan county anti-tuberculosis league gave moving pictures every Tuesday. Fred Darr was the representative of the League in arranging the shows; the machine was operated by Principal B. F. Shaffer of the High school.

## OLD JACKSONVILLE

OUR HOSTELRIES

(BY ENSLEY MOORE)

Member Illinois State Historical Society

Dr. Noah Webster gave several definitions of public houses for transient guests. He said a hostelry was "an inn; a lodging house." Then he said an inn was "a house for the lodging and entertainment of travelers or wayfarers; a public house; a hotel." A hotel was "a house for entertaining strangers or travelers; an inn or public house of the better class." Then a tavern was described as "a public house where travelers and other transient guests are accommodated with rooms and meals; an inn; a hotel; especially, in modern times, a public house."

Park Hotel, Jacksonville, Illinois.

licensed to sell liquor in small quantities.

Before the Civil War tavern was the name generally applied to the smaller public houses; and many had nothing to do with liquor selling. Some of the old time taverns were kept by the best of people.

## Our First Tavern.

Alexander Cox, a hatter by trade, built the first house on what was the original site of Jacksonville. His house was about where the Trinity Episcopal church is now, and it was there in 1825, when the town was laid out. Very soon after the platting of the future city, Thomas Carson bought Cox's log cabin and moved it to the east side of the Square, where the Congregational church was afterward. Mr. Carson soon made an addition to his house, which from the beginning was our first tavern. He afterwards moved it to the southwest corner of East and Morgan streets, where it stood till it wore out. Mr. Carson was well known, and his wife, "Mother" Carson, was even more so. They both lived to a good old age. Mrs. Carson brought the frame for the doors and windows for the addition to the house, on her arms, on horseback, from Jersey Prairie, where they were made.

"Heslep's Tavern" was built about 1833, by some fine people from the East, who kept a good establishment. It was a two story frame house, still standing, nearly opposite the "Dunlap House," on West State street. The house has been moved around and added to and is now occupied by Doctors Hardisty and Griswold for their offices. Some descendants of the Heslepes are still prominent here, although others were of the "49ers" to California.

Stephen A. Douglas was one of the early boarders at Heslepes.

## The "Western House"

was the next leading stopping place here, soon after Heslepes came. It was up stairs over two or three stories which stood where Russell and Thompson's and Floreth's stores are now, near the southwest corner of West State street and the Square. This house was kept by Major Ignatius R. Simms, a big Kentuckian, prominent here for some years. He was the father of Chatham R. Simms and Edward C. Simms, who were merchants here. J. Louis Simms and Dr. J. Ridgely Simms, and Mrs. (Dr.) Prosser were children of Chatham as was Edward C. Major Simms had a livery stable, back of the house, and fronting south on Morgan street.

Major J. Floyd Longley kept a boarding house in some of the "Western" rooms about the beginning of the Civil War.

Mr. Cheney, who afterwards had a hotel in Springfield, succeeded Major Simms.

Other smaller and less noted hotels have been kept here, and Mr. Anthony Ratachak built and owned the "Pacific," and the "Douglas" was our last large hostelry.

lego avenue. A street car at that time came into collision with an automobile of Elmer Beattall and shoved it over against a car owned by Rev. C. H. Davis of San Jose. Some damage to both cars resulted.

Judge W. E. Thompson represented both complainants and the matter was readily settled after conference between Mr. Beal and Judge Thomson.

## The Spirit that wins!

Give children Kellogg's delicious whole-wheat KRUMBLES and they'll thrive and grow big, strong, healthy bodies! For, KRUMBLES—with the full, enticing flavor of whole wheat for the first time in food history—contain every food element the body demands for complete nourishment! You could live indefinitely on KRUMBLES and whole milk!

You can't afford to let your children grow into puny men and women! You must give their food the proper consideration. Keep them away from the devitalized, soft foods that we eat today! Give children a perfectly balanced diet! See that they eat KRUMBLES at least once daily—and results will prove astonishing!

Men and women workers should eat KRUMBLES to renew their strength! KRUMBLES provide food that sustains the aged as nothing else can!

KRUMBLES are sold by all grocers!

The only whole-wheat food with a delicious flavor

BODY OF GRIFFITH LIES IN CATHEDRAL

(By The Associated Press)  
DUBLIN, Aug. 15.—The body of Arthur Griffith, late president of the Dail Eireann cabinet, lies on a catafalque before the altar in the cathedral. It was taken to the cathedral tonight from the city hall, where it had been lying in state, followed by a cortege which constituted one of the most impressive spectacles in Irish history.

hence, which was followed by carriages containing the members of the Griffith family; then by a military band, softly playing a dirge for the dead, by soldiers marching with slow tread and then by friends and the members of the various organizations with which Mr. Griffith had been associated. At the door of the cathedral the procession was met by the members of the confraternity of the Church of the Immaculate Conception—named for the cathedral—wearing white cassocks.

They bore about their shoulders green bands inscribed with the words of their order "Oh Virgin Mary, pray for us."

Slowly the body was carried

down the main aisle of the cathedral to the catafalque. Above in the nave is a painting of Saint Bridget, pierced by a bullet of Ireland's civil war—one of these headless bullets which some Irishman fired, not knowing where it might stop. Griffith the martyr below and above him the saintly bridge transfixed with a shot—this seemed to some who witnessed the scene a symbol of Ireland's present woe. The recitor chanted the prayers for the dead after which national soldiers took up for the night before the funeral their peaceful guard in the hushed atmosphere of the holy edifice.

**MISS MARY BLACK TO TEACH AT MURRAYVILLE**  
Miss Mary Black who resides four miles north of the city has taken a position on the faculty of the Murrayville high school for the coming term and will teach Latin and English. Miss Black has taught in the Chautauqua schools for the past several years and has made an excellent record in her school work.

ARENZVILLE HAS CHAUTAUQUA AND IS WELL PLEASED

Community Enjoys Recent Entertainment, Which Are Financial Success—Farm Bureau Picnic Wednesday.

Arenzville, Aug. 15.—The 1922 Chautauqua ended successfully on Friday evening, Aug. 11. The audience at all sessions were large and the talent was good. Crowds came to this Chautauqua from neighboring towns and from all the country near Arenzville. The Chautauqua was a financial success this year as it has been during the past years. The Mutual-Morgan Bureau is known to give good entertainments and they are able to please the majority of the people. There will be a meeting of this year's guarantors on Tuesday evening at which time everything will be settled.

On Friday evening, the last night of the Chautauqua, "The Pageant of Peace" was given by local talent under the supervision of Miss Allison. The local boys also pulled off some stunts which were enjoyed by the crowd. Following this came the entertainment by the Schubert Ladies' quartette. Next a lecture. At this time the platform manager, Mr. Morningstar, introduced the Proudfitt family, local talent, which delighted the audience with a pleasant program. Violin and vocal solos were given by George Proudfitt, piano solo by Wanda Proudfitt, vocal solos by Mrs. Kanatsey of Jacksonville and in one number Gwendolyn Proudfitt also played violin. Local talent is as highly appreciated as foreign talent.

**Farm Bureau Picnic.**  
Final arrangements have been made by the different committees of farmers in charge of affairs for the celebration of the Farm Bureau picnic on the H. E. Roegge grove two miles east of Arenzville on Wednesday, Aug. 16.

The following program has been arranged and will be followed:

- 10:00 a. m. County horseshoe tournament begins.
- 11:00 a. m. Band concert—Virginia band.
- 12:00. Dinner.
- 1:00 p. m. Band concert.
- 2:00 p. m. Music—Monroe and Bluff Springs quartettes
- 2:30 p. m. Address—S. H. Thompson.
- 3:30 p. m. Community singing with band.
- 4:00 p. m. Ball game—Farm Bureau vs. Arenzville.

In the evening motion pictures will be shown. The organization film, "Forward Farm Bureau," will be shown at this time. The Arenzville community is putting forth its best efforts to hold a successful picnic. Everyone is invited and welcome to attend.

Henry Aufdenkamp was agreeably surprised at his home in Arenzville on Sunday morning, Aug. 13, by a group of relatives. A birthday dinner was served to the following guests: Mr. and Mrs. John Eilers and family of Chapin; Mr. and Mrs. Albert Nienheiser of near Chapin; Mr. and Mrs. Fred Nienheiser and Mr. and Mrs. Louis Nienheiser of Chapin. A very pleasant day was spent by all.

Weir Hierman, Carl Turley and Chelsea Houston motored to Jacksonville Sunday evening.

On Sunday afternoon the ball game played at the local diamond one mile east of town between the Arenzville team and the Dokays from Jacksonville terminated with the Jacksonville team one score ahead. The local team did good work and will no doubt play a better game at the Farm Bureau picnic at the Roegge grove on Wednesday, August 16th.

FARM BUREAU NOTES

Farm Bureau Picnic. Mayor L. P. Berger of Meredosia after consulting the members of the Meredosia Commercial Club, has informed this office that it will be absolutely agreeable to them to have the Farm Bureau picnic held at Meredosia on September 14th. President Charles S. Black of the Farm Bureau, will arrange a special meeting of the executive committee to confer with a local committee from Meredosia. This committee will quietly meet Wednesday afternoon at the chautauqua ground between afternoon and evening sessions.

Black Hull Wheat. Numerous inquiries have been made recently at the farm bureau office for Black Hull wheat. The Sangamon county farm bureau has furnished its detailed information concerning its yield there. They are also interested in pushing the sale of what small surplus they have. Ed. Scott of Franklin, who recently spent two weeks in Kansas, thinks that this new wheat beats anything that the Kansas farmers have tried. Quite likely a number of our farmers will try it this fall.

The New President. There has been a general housecleaning of officers and directors of the U. S. Grain Growers Inc. E. H. Cunningham, Secretary of Iowa Farm Bureau Federation, has been named president. The writer had the pleasure of hearing him make the main address at a State Farm Bureau meeting at the Minnesota State Fair two years ago. He made a fine impression upon every one present and if any one can bring the U. S. Grain Growers to the front, he is the man. The writer knows of no one that he would rather see in that position than E. H. Cunningham, of Iowa.

CLUBS AND SOCIETY

**Orleans Club Picnic**  
at Park.

The Orleans Country Club ladies gave a picnic at the Chautauqua grounds last evening instead of holding their regular meeting. The chautauqua program was heard following the good things to eat that were served. The club is maintaining a tent on the grounds this year.

**Hoppers Will Gather on the 22nd.**

On August 22nd has been set as the day of the big Hopper reunion. The foregoing was announced yesterday by Dr. Charles Hopper, the president of the family organization, which holds these affairs annually. The history of the reunion is interesting. In the old days the many members of the family all gathered at the old family farm and had a sheep shearing. Nowadays the members gather for a big chicken dinner and rest in the shade while old times and new are discussed.

**Family Reunion at Smith Home Northwest of City.**

In happy anticipation of visiting his old home once more and enjoying a week's stay with his mother and brother, William Smith and family left their home in Keokuk, Ia., Saturday A. M. and motored to Jacksonville where at the old home place about ten miles northwest of this city where they had planned to meet the other brothers and sister with their respective families. Imagine his surprise, when upon reaching the farm he beheld not

that little country house. Inlaid with pines beside it; Some peach trees, with unfruitful boughs.

A well, with weeds to hide it; But was confronted by a modern little bungalow newly erected. About noon on Sunday some 150 neighbors, friends and relatives assembled with well filled baskets, to help Mrs. Margaret Smith and her son George celebrate the completion of their new home, which is now ready for occupancy.

The former house was one of the pioneer log cabins in the neighborhood and was the last of its kind in this locality. While the community was loath to see its destruction they know Mr. Smith and his mother will enjoy more comfort in the convenient little structure they now occupy and all unite in wishing them many years of joy and comfort in their new home.

Among the out of town guests at the gathering Sunday were: Mrs. William Smith and family from Keokuk, Ia; Mr. and Mrs. Alfred Smith and son, Decatur, Ill; Mr. and Mrs. Ed Brunk and family, Jacksonville; Mr. and Mrs. O. H. Smith, Jacksonville; Mrs. By-

ron Houston and son Chicago; Mr. and Mrs. Lloyd Standley and family, Beardstown; Mr. and Mrs. Arthur Vorhees, Alexander; W. W. Young and family, Litterberry; J. E. Young, Jacksonville; Charles and E. G. Young of Litterberry.

**LEAVES AFTER VISIT**  
Benjamin D. Burdick returned to his home in Quincy after a weeks visit with friends and relatives here. He is chief engineer of the Soldiers and Sailors Home in Quincy.

**LICENSED TO MARRY**

Decidedly Smart

We have just received from Julian & Kokenge, the famous shoe manufacturers and acknowledged style creators, two new shoes for fall wear.

Julian & Kokenge have built us many beautiful shoes, but we really feel that the two new patterns just received excel anything they have made for us heretofore.

Both are low heel styles. One is patent and a new shade of gray suede combination. And, the other is a very striking combination of tan calf and beige suede.

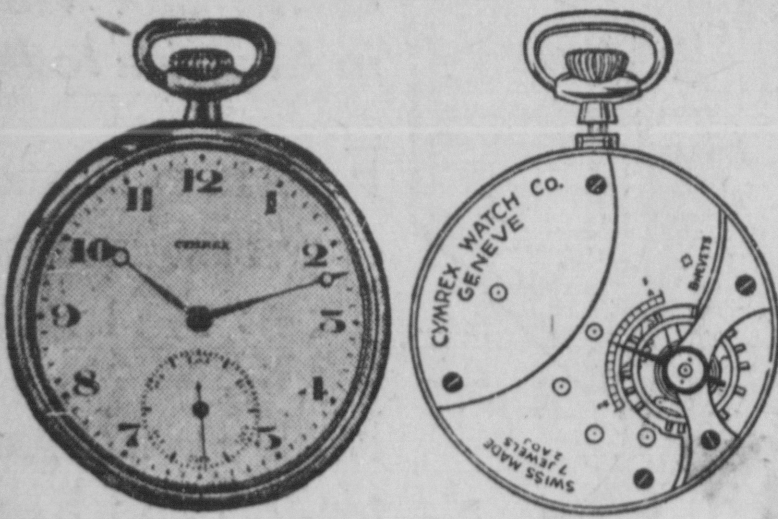

To be appreciated these shoes must be seen.

With the use of life insurance you can direct your financial affairs from beyond your grave. You can arrange with a life insurance company to pay your dependents a certain amount monthly, or otherwise. You can arrange for the company to pay off your mortgage at your death.

If your estate is not sufficient to support your family in case of your death, a life insurance company will "loan" you an estate until you have accumulated one of your own.

Modern life insurance offers you untold advantages in arranging the financial program of your life. Consult us as to some of these advantages.

THE OPAL

Do you possess one? Do you think they are "unlucky"—don't, for the only unlucky feature is in not owning one or more.

THE OPAL with its myriad colored "fires" is one of the hand-somest and most striking of the precious stones, for ring, pin or brooch.

THE OPAL in any quantities is found in parts of Australia, Hungary and Old Mexico, the choicest from the first two named.

THE OPAL is found at all depths from almost at surface to forty feet below, existing under layers of soft clay and usually under ironstone deposits.

THE OPAL most highly prized is the "Orange Pin Fire," and only the black found in New South Wales commands a higher price.

We shall be glad to show you our stock of opal jewelry, and next week we will tell you something about opal polishing and refinishing.

## FRANKLIN IS READY FOR TWO DAY PICNIC

Woodmen and Odd Fellows Active in Preparations—Mr. Townley and Mr. Yantis to Make Addresses—Plenty of Amusement in Prospect.

Woodmen and Odd Fellows of Franklin have arranged for a great two day picnic. The festivities are to begin this morning and continue all thru Thursday. Dinner and supper will be served both days. There will be burgoo soup and other eatables in plentiful supply.

This is Woodman day and an address will be delivered by Hon. C. S. Townley of Rock Island, state deputy. Tomorrow Odd Fellows are to have the boards and the address will be by Grand Master Hon. J. L. Yantis of Shelbyville. Both of these men are accounted speakers of unusual ability and their addresses are anticipated with great pleasure by members of the two orders. Dr.

M. D. Henderson will serve as chairman. The Franklin people have been busy for weeks in making their arrangements and think they have forgotten nothing in these preparations. The Woodson band will furnish music for both days, and De Orri's Italian orchestra from Pawnee will furnish dance music both evenings. The dance platforms, 32x48 feet, have been secured from Alexander and dancing promises to be one of the pleasant features of the two day event.

**Local Lodges Going**  
Jacksonville Woodmen are expected to attend in large numbers. Members of Camp No. 912 are to assemble at M. W. A. hall this morning at 9:30 o'clock and it is expected that 20 cars will journey to Franklin carrying from 75 to 100 Woodmen. The trip will be made without expense to the members and arrangements have been made so that those who wish may return to Jacksonville in time to hear the address of Mr. Bryan at the chautauqua. Others will return later in the day. The committee on arrange-

ments includes James E. Bentley, Richard Day, A. L. Vasconcellos and Earl Munis. The DeSilva Drum Corps will accompany the Woodmen. Tomorrow the local I. O. O. F. lodges are expected to send large delegations to Franklin. A merry-go-round has been secured by the Franklin committee from Astoria and will furnish amusement for the youngsters. An added attraction for this evening will be a free lecture and motion picture, the film theme being "The Value of a Life." This will be given under the auspices of the Modern Woodmen camp and the purpose is to familiarize the public with the methods, equipment and efficiency of the tuberculosis sanatorium that the Woodmen maintain in Colorado. It is said that this picture is of dramatic interest and it is founded on the actual scenes in connection with the sanatorium.

Some of the most extensive arrangements have been made in connection with the dinner and supper to be served both days. Will C. Hart, George Haynes and Dr. F. H. Metcalf have this department in charge, and a corps of capable solicitors and helpers have been working with them. In preparation for this event it was necessary to do a great deal of soliciting work and last Friday and Saturday, August 11 and 12, were the special days designated for the solicitation of the corn, onions, potatoes, tomatoes, chickens, pickles, butter, salad and other things that are to have place in the good things served today. It was necessary to do the soliciting in a thoro way and special districts were assigned to the different workers.

**Committees and Solicitors**  
The executive committee and

the committee chairmen for this big two day event are as follows:  
**Executive committee**—George Schaaff, chairman; Dr. M. D. Henderson, W. N. Luttrell, Joseph Williamson, William R. Hills and H. M. Tulpin.

Mrs. Lulu Barnhart, Nellie Hurt and Ruby Watt spent Wednesday at the home of Mr. Ragan and family.

Louise German has returned to Peoria after a visit with her parents, Mr. and Mrs. Charles German.

Mr. and Mrs. Sam Watson and family and Mr. and Mrs. Oliver Carkins have returned to their homes, after a visit at the home of Edgar Watson and family.

Mrs. George Flegg and daughter spent Friday at the home of Mr. Stephenson of the Point neighborhood.

### APPRAISED PROPERTY

In company with Coroner Rose as an officer three appraisers, J. F. Berry, Homer Ranson and Homer D. Cully yesterday appraised corn and livestock, property of Henry D. Strawn on the farm of Mrs. Mary Strawn west of the city, and on the farm of Ferdinand Strawn southwest of the city. This appraisal was made on account of an attachment suit. The value was fixed at \$1,362.

### BIKE STOLEN

While Mr. and Mrs. Walter Martin and their son were at the chautauqua last night some one took from the garage at their home the bicycle belonging to their son James Martin. The persons were seen by neighbors and in another column Mr. Martin has suggested the return of the bicycle.

### LOUIS H. ENGEL HERE LAST NIGHT

Louis H. Engel traveling auditor for the Atlantic and Pacific tea company spent last evening with his family who are visiting his mother, Mrs. Henry Engel of East Court street. Mr. Engel expected to leave this morning for two weeks work in this state and will then return here for a visit of several days.

### RETURN TO CARLINVILLE

Mrs. Caroline Meyer and granddaughter, Lucille Reiter, who have been visiting Mrs. Meyer's son, Walter H. Meyer, returned yesterday to their home in Carlinville.

### NOTICE

Parties were seen taking bicycle from the garage of Walter Martin, 1302 West Lafayette avenue, Tuesday night. If the wheel is returned today there will be no prosecution.

### GOES TO MICHIGAN

F. J. Waddell left last night for Castle Park, Mich., to join his wife and daughter for a stay of 10 days. Mrs. Waddell and daughter will not return to the city until the first week in September.

Miss Martha Coffman of the Shoedack Clothing Co. is confined to her home on Hardin avenue by illness.

R. A. Roseberry of Peoria was a business visitor in town yesterday.

## STOFFER DIED FROM INJURIES BY FALL

Coroner's Inquest Will be Held Today Over Greene County Man.

Hary Stoffer who was brought to Passavant hospital Monday night from White Hall, died late Tuesday afternoon. The remains were taken to the Reynolds mortuary, where an inquest will be held this evening by Coroner Rose. It was not possible to secure the attendance of train men until this time.

Stoffer fell from a moving freight train about 3:40 o'clock Monday afternoon and sustained injuries about the head. He was attended by Dr. W. T. Knox and Dr. E. J. Peck. Later he was brought to Passavant hospital here.

The deceased was about forty years of age and is a son of Henry Stoffer of Pearl. He is survived by one brother, Roy Stoffer of Alton, and a sister, Mrs. Vernon Painter of Paris, Mo.

## BARN BURNS AT MURRAYVILLE

The large hay barn on the farm of Albert Hayes, southwest of Murrayville, was destroyed by fire at about 12:30 Tuesday afternoon. Thirteen or fourteen tons of alfalfa hay had been stored in the barn and this was also totally destroyed.

Warren Jones is the tenant on this farm and he and members of the family were at dinner when the fire was discovered. The flames had gained such headway that it was impossible to extinguish them before the building and contents were entirely destroyed. The origin of the fire is a mystery. It is understood that the hay and the barn were partially covered by insurance.

## SWIFT & CO. LOCAL BUSINESS RUNS TO BIG FIGURES.

The local business of Swift & Co., is a matter of great importance. Fifty-five thousand pounds of butter is an average weekly shipment and taken together with car loads of eggs and dressed poultry, make up a huge total of business. Payments to shippers of butter fat are made on the day of receipt and the same thing is true with reference to poultry and eggs.

Several thousand chickens are kept constantly on feed. The average feeding period is from 7 to 9 days, and the poultry in New York dressed form is then shipped to the eastern market.

Swift & Co. turn thousands of dollars into the channels of trade in Jacksonville every day and the location of the plant here is a matter of business importance. The poultry comes from quite a wide area but butter fat from still more distant points. Shipments are made from as far north as Galesburg.

## YOUNG OMAN KNOWN HERE DIES IN COLORADO

A message received yesterday by Mrs. Ben D. Cade of 340 West State street brought the news of the death of her niece, Miss Queen Driden at Greeley, Colo. Death occurred Tuesday morning at 11 o'clock after a long period of illness, heart disease being the direct cause of death.

Miss Driden has been a visitor in Morgan county several times and many people here will regret to know of her untimely death.

The remains are to be taken to Waterloo Iowa, where Miss Driden spent the greater part of her life. Miss Cade will leave tomorrow for Waterloo to be present at the funeral Thursday.

## BOY BREAKS ARM

Leo Keith Zelmer of Modesto, is now a patient at Our Saviour's hospital. The boy who is three years old, and a son of Hurley Zelmer, fell and broke his arm Sunday while playing at Nichols park. It is a bad fracture but the child is doing as well as could be expected.

Mrs. Don D. Clark has returned to her home in Chicago after visiting her mother Mrs. C. O. Redding on S. Diamond street.

**PHONE COMPANY  
PLANS BETTERMENTS**

Directors of Illinois Company Yesterday Authorized Rebuilding Work to Cost \$60,000 — Will Place Many Wires in Cables.

Directors of the Illinois Telephone Company at a meeting held yesterday authorized the rebuilding of the Jacksonville and Carrollton exchanges. This will mean the expenditure of \$60,000 and the estimate for the Jacksonville improvement is \$38,000. While some changes will be made on the toll boards in the Jacksonville office, betterments for the most part will be in connection with wiring.

It is the purpose to put wires in cables along the principal streets. In certain areas this will be of conduit and in others aerial.

Action was taken whereby the company will offer to join with the city, the Jacksonville Railway & Light Co., and the Bell Telephone Company in the use of poles. As it is now, poles are owned separately by the city and by the three companies, with the result that there are a great many more poles in the streets than are really needed, and they spoil the appearance of the streets and are really a detriment.

The Illinois Telephone Company management believes by a union of effort in this matter that the number of poles in the streets of Jacksonville can be reduced by one-third.

Members of the board in attendance at the business session yesterday were A. J. Parsons, Springfield; Judge F. C. Funk, Winchester; S. E. Simpson, Carrollton; Carson Metcalf, Greenfield; John S. Hackett, W. W. Holliday and J. H. Dial of Jacksonville.

**FAIR DIRECTORS  
HELD MEETING**

Decided on Helpers Tickets — Reports Heard.

A special meeting of the board of directors of the Morgan county Fair Association was held last night in the Chamber of Commerce rooms. President L. A. Reed was in the chair and called the meeting to order at eight o'clock. The following were present: J. L. Henry, J. W. Arnold, C. S. Black, Sam Camm, Scott Green, O. T. Hemlich and Dr. R. V. Brokaw.

The board approved the work of Dr. Brokaw, the county health officer, and decided to back him to the end in his efforts for a better baby contest at the fair. It was decided to issue passes to all doctors, nurses, and assistants connected with the better baby contest. Those entering children in the better baby exhibit must purchase regular admission tickets.

Reports were then heard by the committee on Races, Barns, Poultry and tickets. It was noted that things are coming along rapidly in preparation for the fair.

It was voted that helpers tickets to the fair shall be given at the rate of one ticket for each ten dollars paid for concession or other display privileges.

W. H. and Albert Crumm were appointed as a special committee to immediately arrange suitable prizes for the light horse department, providing for unregistered horses. This committee will have arrangements made and the prizes will be published within the next two days.

Rain and liability insurances were among the matters discussed at the meeting.

**BROCKHOUSE PICNIC TO  
BE STAGED TOMORROW**

**Program Includes Talk by Carl E. Robinson and Ball Game Between Rival Teams of Arenaville and Concord.**

The Brockhouse picnic to be held in Brockhouse Grove six miles West of Concord, Thursday promises to be one of the most elaborate affairs of the season. The Merritt Junior band has been engaged to furnish music during the afternoon and evening and several other forms of open entertainment are on schedule. The Ladies of the Concord Lutheran church will make and serve the burgo at noon and night along with the other dainties that go to make a picnic meal.

Calvin Rice has charge of the program and announces that plans have been made for many of the well known feature races, including sack races, wheelbarrow races, cracker eating contests, etc. A talk will be made during the afternoon by States Attorney Carl E. Robinson and probably several other prominent Morgan County men.

A ball game is to be staged between the old rivals of Chapin and Arenaville and is expected to attract wide attention because of the long standing rivalry and feeling between these two teams.

Members of the Brockhouse family were busy on the grounds yesterday cleaning up and getting things in shape for the picnic tomorrow. The affair is one that annually attracts hundreds of people and necessitate considerable preparation by those in charge.

**CAPACITY OF OIL WELL  
STILL UNDETERMINED**

The oil well on the Mahon farm northeast of the city was a busy place all day Tuesday as workmen cleared away the dirt which was loosened by the "shooting" of the well Monday night. Until this work has been completed and the casing reset it will be impossible to ascertain the capacity of the well.

When all the debris has been taken from the well the pump will be attached and operations begun to learn what amount of oil the well will produce. As soon as there is definite knowledge as to the capacity of the present well work will be begun on another well.

"The World's Greatest Need" will be the theme of Hon. William J. Bryan, one of the world's greatest orators, at the Jacksonville chautauqua this afternoon. This has been heralded as the big day of the chautauqua and indications are for a record attendance. The suggestion from the commercial division of the retail department of the chamber of commerce that stores close on account of Bryan day met with quite general response and a great many stores will be closed from 2:30 until 4 o'clock.

Mr. Bryan has visited Jacksonville occasionally during the past years and there is always interest in his coming, whether as a private citizen to be the guest of friends, or for a public occasion.

The Tschakowsky quartet, a standard musical organization, will give a concert prior to Mr. Bryan's address and another program in the evening. The address in the evening will be by J. R. Perkins, who will have for his theme "The Convict and the State." Mr. Perkins was formerly warden of the Iowa state prison and he is counted an authority on the social phenomena of crime.

Tuesday found the usual large attendance at the chautauqua. There is an increasing interest in the morning lectures of Dr. Gage and his audience was larger than on previous days yesterday, when he discussed "The Call of the Commonplace."

In the afternoon the Nettle family, including "dad" and four kiddies, presented a program of harmony with a variety of musical instruments. There was also solos and quartet numbers. Various selections were given in costume and the varied program greatly pleased the audience. A second program was given in the evening.

Miss Ada Ward, an English woman announced for the afternoon address on "You Americans" did not appear as she was unable to make train connection at Peoria.

In the evening Miss Jessie Rae Taylor, characterist, gave an unusually interesting program. Miss Taylor is a character comedian and is said to be the only young woman impersonator of her class on the stage. Most of her characterizations are of old men, the presentations last night including "a foreigner just arrived," "a down and outer," "an aged negro" and "an elderly man shaving." A number of presentations were exceedingly humorous as were the character songs.

There is more than usual interest in the coming of the Tschakowsky quartet. This organization includes two violins, a cello and piano, under the leadership of Leon Weltman, noted Russian violinist, with Janie Gordon Weltman as dramatic interpreter. Every one of the group is an artist.

**LITERBERRY**

Rev. Ben Johnson preached at Literberry Sunday morning and evening. The morning reading was Romans 8. Subject, "He that loathes his life for my sake, shall find it." This was an excellent sermon. Mr. Johnson closed his talk with, "Wherever there is progress there is sacrifice; sacrifice is the principle of the Cross of Our Savior."

"The Ives" is closed for a week and Mr. and Mrs. Grey and daughter are resting and fishing at a popular resort.

Aileen Young visited Harry Jackson Henderson at Woodson last week.

The ladies of the Baptist Aid are very thankful to Mrs. Wm. Crum of "Crum Homestead" for the flowers she furnished to decorate the tables at the chicken fry.

Mrs. Hettie Bowen and daughter Mildred came over from Plainville to visit friends and attended the chicken fry. They and their neighbors, the McLaughlins returned home Sunday.

Mr. and Mrs. W. W. Young and children, also Riley Young and Mr. and Mrs. Ernest Young attended the family gathering at Mrs. Margaret Smith's on Sunday in the Grace Chapel vicinity.

The big three went fishing Friday to Sangamon river. There was fish for supper.

John Goodpasture of "Black Walnut Grove" was in Literberry Thursday morning.

Mrs. Florence Kirker and Mrs. Kate Stults of Moweaqua, are visiting at Shady Maples, with their brother J. S. Hitchens and family.

**IMPROVEMENTS ARE BEING  
MADE AT SHANKEN STORE**

The Shanken store on the north side of the square is now being remodeled and improved. A misses and junior department is being added and will be located on the second story which is now being built in the store.

The office will be located on a balcony which is being built on the second floor, thus providing for enlargement of the ready-to-wear departments downstairs. Additional space is also being provided for the dress goods department. The improvements will be finished before the fall stock is received.

Russell Cook and family of Macomb, Illinois, are visitors at the home of Mr. Cooks parents on South East street.

To the Editor of the Journal:

Under the display head "Liberal Speaker Bombs Audience of Conservatives," yesterday's Courier gives a resume of an address delivered at the Jacksonville Chautauqua on Monday evening. I beg leave to record a serious objection to the prostitution of the worthy word "Liberal" to cover the attitude and attendance of a man—of any man—who chooses the Christian pulpit as a point of vantage from which to attack Christianity. That is not "liberality"—it is not, in any proper use of the word, even "liberalism." It is just plain, every day dishonesty, and ought to be so labeled.

If any man feels within him a call to denounce the Bible as a man-made volume "formed by a church council," his parts "voted in and voted out according to the wishes of the church dignitaries present" let him, in the name of decency hire a hall, or publish his views in the columns of a recognized infidel magazine and under their own proper designations. Let him not arrogate to himself the false and misleading title of a Minister of the Gospel. Let him not from week to week stand in a pulpit which at least should be dedicated to the proclamation of the Faith once for all delivered to the Saints. And above all, let him not be under

the misleading title of "Dr" whatever his name may be invited to the platform of any gathering dignified by the name of Chautauqua, where Christian people have a right to come, and to bring their children with them in the assurance that what they will hear will tend to make them better citizens of this Christian land. And let us call things by their right names.

Very sincerely yours,  
E. F. Johnston.

## WHITE HALL PREPARES FOR CHAUTAUQUA

Greene County Farm Bureau picnic to be opening feature of Chautauqua next Saturday—Other News From White Hall.

White Hall, Aug. 14.—The annual picnic of the Greene County Farm Bureau has become fixed as the opening of the White Hall Chautauqua on Gregory Park. It will be held next Saturday, and the principal speaker will be Hon. Clifford Thorne of Iowa, an authority on the problems of agriculture and transportation, twin subjects that will make his coming a matter of special importance at this time. The arrangements were confirmed at a meeting of the county executive committee of the farm bureau last Friday at Gregory farm. Various amusements will be provided, including the annual horse-shoe pitching contest for the championship of Greene county. Music will be furnished by the Rawlings Concert band of Roodhouse.

The opening of the regular chautauqua program will be on Sunday, and these sessions will continue daily thru the following Sunday, Aug. 27. The opening attraction will be an afternoon address by Judge Frank P. Sadler of Chicago. On "The City, the Storm Center of the Nation." There will be afternoon and evening concerts by the Mendelssohn Musical Club of Chicago.

Monday will mark the coming of Governor Henry J. Allen of Kansas, for an afternoon address on "The Industrial Court at 2:30 a project of his conception, and which has been a subject of keen criticism during industrial troubles since its inception. His coming is of special importance at this time. Carter's Carolinian Jubilee will give concerts afternoon and evening. At night there will be a cartoon entertainment. Pioneer's Alpine Yodlers are slated for Tuesday, and the Cleveland Symphony Quintet for Wednesday. On the latter day Poluhni, telepathist and magician will give a performance, and at night there will be a lecture by Dr. Andrew H. Harnley on "Making Democracy Safe for the World." Thursday presents two concerts by the American Glee Club, and at 7:30 there will be an unusual interesting lecture by V. M. Lahibaksh on "Ghandi, Religious and Political Leader of India."

Friday will be Army Day, and the American Legion post will conduct a fish fry from 11 a. m. until 7 p. m. This is the date of the appearance of Morgan's Rainbow Division Band, which is filling an engagement of three days in Jacksonville, this week.

The Ruth Whitworth Players will present comedies Saturday afternoon and evening and on Sunday there will be concerts by the Pittsburg Ladies Orchestra, with an address in the afternoon by Bishop Joseph C. Hartsell on "Africa, its Political and Religious Outlook." The closing features at night will be a lecture on "The American Home and Its Problems" by George E. O'Dell, followed by a concert by the Pittsburg Ladies orchestra.

### Former Resident Dies

The death of Byron Hubbs, a former well known young man of White Hall, occurred at 2:00 o'clock Sunday afternoon at Carbondale, where he had been recently assigned as manager of the Western Union office. He was wearing his 21st birthday, and last June he and Miss Velma Mitchell, daughter of William Mitchell, were married. The families formerly resided in White Hall, the Mitchells now residing in Decatur and the Hubbs in Blue Island. The father of the deceased, George Hubbs, was in White Hall at the time the news of the death was given out. He stated that the burial will be at Decatur. The deceased had been ill three weeks.

W. P. Lindsey has secured a lease on the Stocks hotel property for a period of five years at \$100.00 per month. The deal was consummated by the presence of Mrs. Zeno Stocks, who arrived last week from Kansas to attend the Baldwin family reunion. Mr. Lindsey has been in charge of the hotel for nearly two years, bringing his then bride here in November, 1920, to take charge, and in that time he has won without doubt the leading place as a hotel manager in this territory by an application of energy and honesty that has not only built up a business out of all proportion to the facilities, but all will agree that Mr. Lindsey has become one of White Hall's leading citizens, thoroughly imbued with the ideals and sentiments of the community. One of the important features of the lease (Mr. Lindsey, by the way being the first to be able to secure a lease for longer than a year) is an option for purchase that means that when the new hotel plans are fully matured, there is provision for acquiring the Stocks property as a nucleus for the larger hotel. One of the remarkable things about Price Lindsey is that in such a short time he has won the confidence of leading financiers of White Hall that means success in his larger aims as a hotel manager.

Funeral of Mrs. Sadler  
At 2:30 today occurred the funeral of Mrs. Elizabeth Jane Sadler, widow of the late Hiram Sadler, a war widow, who has resided in White Hall since 1874. The discourse was delivered by Rev. Charles Ross, pastor of the Christian church, and the church was well filled with citizens. The

Mrs. Sadler was a native of Plymouth, Ill., born March 19th, 1840, her age at death being 82 years last March. Her maiden name was Trammel. She and Hiram B. Sadler were married there in 1860, and he enlisted in Company H, 148th Illinois Infantry, February 6th, 1865, serving until Sept. 6th, 1865, when he was mustered out as sergeant, returning to his family at Plymouth. Mr. Sadler was foreman of a construction train in the construction of the Quincy branch of the Burlington until 1874, when he came to White Hall with his family, and here they resided until their deaths, he dying April 19th, 1916. Their children are Mrs. Mary Brosenham, North Venice; Mrs. John West, Los Angeles; Mrs. Kirby Culbertson, Marshalltown, Iowa; Lewis, Otis and Harve Good all, White Hall. There are nine grand children and seven great grand children. Mrs. Sadler suffered a stroke of paralysis on March 19th, 1921, that was followed by subsequent strokes, resulting in her death at 9:15 a. m. Sunday in the home of her son Otis on Ross street. She was one of the early members of the Christian church.

The dealer with a full line of U. S. Tires at these new prices can serve you better than you have ever been served before in the history of the automobile.

If there ever was any fancied advantage in shopping around for tires it disappeared on July 29, 1922.

## MODERATE ADVANCE

IN STOCK PRICES  
By Associated Press.

**NEW YORK, Aug. 15.**—A  
moderate advance in prices took  
place in today's market, most of  
yesterday's losses being wiped out  
in short covering operations com-  
bined with some buying from  
western points.

Industrial issues were strength-  
ened by breaking up of the soft  
coal strike and the outlook for  
peace in the anthracite fields.  
Rail shares showed early firm-  
ness indicating the financial  
community's belief that the  
crisis was waning.

Steel shares showed some con-  
siderable improvement.  
United States Steel common  
was up a point, Lackawanna rose  
17, Republic 24 and other inde-  
pendent shares in sympathy. The  
individual feature in this group  
was Crucible, which soared 23  
points on reports that dividends  
would be resumed shortly.

Union Pacific which was up  
nearly 2 points to a high for the  
year featured the carriers other  
where it closed. Somewhat weak  
Chesapeake & Ohio, New York  
Central, Chicago & Northwest-  
ern, Norfolk & Western and New  
Orleans, Texas and Mexico all of  
which advanced 1 to 2 points.

Several more new highs were  
recorded during the day's trading  
notably by Famous Players, In-  
ternational Paper, Pittsburgh  
Coal and U. S. Realty. Mexican  
Petroleum moved within com-  
paratively narrow limits today,  
closing at a net gain of 1½. Bal-  
win and Studebaker, the other  
speculative favorites also moved  
to higher ground. Total sales  
were 550,000 shares.

The call money market was  
easy opening and renewing at 3½  
per cent and thence declining to  
3 where it closed. Somewhat more  
activity was noted in the time  
money market but the rates were  
virtually unchanged.

Reports of heavy selling in Eu-  
ropean centers caused a reaction-  
ary trend to the early dealings in  
foreign exchange. Canadian ex-  
change was virtually at par, the  
Canadian dollar being quoted at  
33 3-4 cents. Cession of coal  
imports from the United States is  
believed to have been a contrib-  
uting factor to the increasingly  
lower discount in the last few  
days. Foreign exchange dealers  
report that speculators in inter-  
national currencies have been of  
late turning their attention to  
Czech-Slovakian and Rumanian  
remittances.

## CASH GRAIN

REPORT  
By Associated Press.

**CHICAGO, Aug. 15.**—Wheat  
in the cash market today was  
lower with the futures. The  
trading basis was firmer on con-  
tract grades and weaker on off  
grades. Shipping sales here were  
240,000 bushels including 220-  
000 bushels to exporters.

Demand for cash corn was  
good, and trading basis were  
firmer especially on yellow  
grades. Shipping sales here were  
40,000 bushels all to exporters.

Demand for oats was fair with  
trading basis easier. Shipping  
sales were 110,000 bushels in-  
cluding 100,000 bushels to ex-  
porters.

## HEAVYWEIGHTS START TRAINING FOR BOUT

MICHIGAN CITY, Ind., Aug. 15. Bill Brennan and his manager Leo P. Flynn, arrived here today and the big heavy weight began training immediately for his ten round boxing exhibition with Jack Dempsey Labor Day in the Fitzsimmons hotel. Billy Shade was in the Brennan party and will help box Dempsey's chief rival for heavy weight honors into shape. Dempsey was up bright and early this morning and jogged five miles. He will confine his training for a few days to shadow boxing, rope skipping and bag punching. With both Dempsey and Brennan on the ground things have settled down to real business.

## CLEVELAND SPLIT EVEN WITH PHILADELPHIA

Philadelphia, Aug. 15.—Cleveland and Philadelphia divided a double header today the former winning the first game 11 to 4 and Philadelphia the second. Cleveland pounded four Philadelphia pitchers in the first game including home runs by O'Neill and Wood. Boone and Lindsey were hit hard in the second contest. ## PITTSBURGH WON FROM NEW YORK.

Pittsburgh, Aug. 15.—Pittsburgh by hard hitting defeated New York today shaking off the hoodoo that Arthur Nehf was held on them for years. Nehf was knocked out of the box in the second inning. Cooper was in good form holding the Giants to five hits two of which came in the 9th giving the visitors their second run. In the 8th Tierney knocked a home run scoring Russell who had tripped. Fast fielding by both teams featured.

## SMITH'S HOME RUN WON FOR NEW YORK

New York, Aug. 15.—Meusel's home run in the ninth which tied the score and Elmer Smith's circuit drive in the tenth gave the New York Yankees a 2 to 1 victory over the Detroit Tigers today. In his first appearance on the Polo Grounds as a Yankee, Elmer Smith substituting for Babe Ruth who is still recovering from his recent operation made an auspicious debut by smacking out a homer in the final frame with two out. Shawkey was effective in the pinches leaving 11 Tigers stranded on the bases.

## TOOK THE WRONG TRAIN

A well known carpenter and builder of this city came up from St. Louis to Roodhouse, Monday, where he had to change cars for Jacksonville. In due time he boarded what he supposed was the right train, and when the conductor came along it happened to be the one in which he had ridden from St. Louis and he told him he had given him his ticket once. "But you are going to Kansas City now," was the reply. The gentleman's feelings may be better imagined than described. He left at the first station, waited several hours for a freight and reached home at midnight when he should have been here at noon.

## THE WOMAN OF POISE

Once a rarity, is now to be observed and admired upon every hand. Indeed, no other woman can flourish long in the midst of this modern, complicated life. In the home, in business, in social life, the woman who is serene and confident wins, while the nervous, flustered individual wastes her talents and gets nowhere. Of course poise is dependent mainly upon sound health and steady nerves. If you feel that you are being kept back in this way, why not turn to that great woman's remedy, Lydia E. Pinkham's Vegetable Compound, which was manufactured from a thorough understanding of the nervous system of women—Adv.

## CYARK GREEN NOW AT LOCAL TRACK

Clark Green well known trainer and driver of light harness horses arrived in the city yesterday afternoon from Griggsville with his two horses and is now located at the fair grounds.

Mr. Green has been in Griggsville for several weeks training his horses, having been compelled to go there because there were no stable accommodations at the local track. As soon as the barn was completed he returned here.

This year Mr. Green has only two horses, one is Trelson a green trotter which has shown much promise. He will be entered in the 2:27 trot at the Morgan county fair. His other animal is Len Lou a green pacer, which mare will be entered in the Morgan county pace.

## DUNDEE KNOCKS OUT DANNY FRUSH

NEW YORK, Aug. 15.—Johnny Dundee of New York knocked Danny Frush in the ninth round of a 15-round bout tonight at Ebbets Field. Frush had taken count of nine in the 8th round.

Dundee baited Frush into coming in the seventh and then hit him left effectively. He sent Frush to the floor in the eighth and right to the stomach. Cleveland waited for a count nine. The bell saved Frush.

Dundee tore in like a tiger the ninth round the groggy Frush with both hands, sunk left to stomach and then knocked out with a arid right in the 10th.

## REDS SHUT OUT PHILADELPHIA

Cincinnati, Aug. 15.—Dundee was in rare form today and Reds shut out the Phillies 3 to 0. Meadows was also effective in the third when the locals edged all their runs on single Burns and Daubert, a pass double by Pincich.

Meadows scored half of the made by his team.

## How Petroleum Helps Fill the Nation's Bread-basket

FEW of those who consume farm products realize the extent to which the price of such commodities is affected by automotive machinery.

The fact that the cost of field work is reduced by the use of tractors is well known. The fact that the farmer's time is conserved by the use of automobiles is a matter of common knowledge.

Now comes the National Automobile Association in its Year Book of 1922 with the statement that the cost of hauling products in horse-driven wagons from the farm to shipping points averages 30c per ton mile for wheat and 35c for corn, while over the same roads the cost of hauling by motor truck is only 15c per ton mile.

That the intelligent farmer in the 10 states served by the Standard Oil Company (Indiana) realizes the efficiency of power transportation is shown by the fact that he owns and operates 1,112,203 automobiles and 46,582 motor trucks. These are distributed as follows:

	Motor Cars On Farms	Motor Trucks On Farms
Indiana	102,122	3,671
Illinois	139,090	6,154
Michigan	82,437	4,886
Wisconsin	98,825	4,044
Minnesota	107,824	3,803
Iowa	177,558	9,910
Missouri	86,229	5,059
North Dakota	47,711	774
South Dakota	58,352	4,353
Kansas	111,052	3,928

These cars and trucks can be operated on the same basis as similar equipment in towns and cities because the Standard Oil Company, (Indiana) through its vast distribution system delivers its products into the farmer's storage tank under the same conditions as to the city dweller having similar equipment.

In thus rendering a service to the farmer this Company renders a service to every individual who consumes farm products.
